

The Smarter Schools National Partnerships are a joint initiative of the Australian Government and Catholic Education SA

School Annual Implementation Plan for the National Partnership on Literacy and Numeracy

School: St Columba College

Year: 2010

Included in our school plan is a section which documents initiatives supported by Australian Government funding through the National Partnership on Literacy and Numeracy and co-investment by Catholic Education SA and our school. This National Partnership is designed to further build the capacity of South Australian schools to contribute to the achievement of the following high-level outcomes of:

- all children are engaged in and benefiting from schooling;
- young people are meeting basic literacy and numeracy standards, and overall levels of literacy and numeracy achievement are improving;
- schooling promotes the social inclusion and reduces the educational disadvantage of children, especially Indigenous children.

Funding allocated 2010	Step 10 salary and on costs for 0.8 FTE Numeracy Local Expert Teacher
School / system contribution	\$2750 for staffing, TRT, resources and professional learning expenses.
